THE CITY WATER TODAY

Subjoined is today's official report of the condition of the city water, in connection with which the city water works and sewerage board authorizes the following statement:

The combating of typhoid fever may be divided into two stages, first, getting rid of the typhoid due to a polluted water supply, and second, combatting the so-called residual or contact fever. Many cities have not progressed as far as the first stage—that of providing a pure water supply.

Following is today's test for fever and other germs as made by Perkins Boynton.

A New Bridge

Across Elk Creek, which has just been completed opens up a new tract of ten lots within two minutes' walk of the Waldo hotel. These lots are just north of the interurban car line, behind the T. Moore Jackson addition. Lots are about 33x60 feet. An inexpensive house on any of these lots would make a nice home for a man of moderate means or would furnish a 15 PER CENT investment as a renting proposition. These lots are at the prices of \$150; \$175; \$200; \$225; \$250 AND ONE AT \$300. These lots will not last long at these prices. So if you wish one you had better speak early. Small payment down and balance monthly.
